

DJEBBEL02B

DJEBBEL 8, Gaming USB Mouse, 8 Programmable Buttons, 4000 DPI

Experience the ultimate in gaming performance with the Conceptronic DJEBBEL Gaming Mouse. Equipped with a highly-responsive IC sensor to negate lag and promote a real-time gaming experience, the mouse is equipped with two DPI controls to quickly adjust sensitivity and accuracy. All buttons can be customized to perform different functions, with custom software that allows macro editing. Highly engineered ergonomic design and a sturdy, rubberized finishing provides superior grip and manual dexterity. An absolutely essential part of any serious gamer's toolkit.

Note: The software is compatible with Windows only, please download from our website.
