

GRAPHICS CARD INSTALLATION

01 Power Off the computer. Unplug the cable(s) connected to the system, and remove any existing discrete graphics card(s).

1. 关闭计算机电源, 断开连接主机电线, 并断开当前已有的任何离散显卡。

2. 取下系统机箱并安装新的 PCI Express x16 离散显卡。

3. 取下系统机箱并断开任何离散显卡。

02 Remove the system case cover and locate the PCI Express x16 slot on the motherboard. Please refer to your motherboard specifications.

1. 移除系统机箱盖, 并定位主板上的 PCI Express x16 插槽。

03 Remove the expansion slot cover(s) for the available slot(s) where the graphics card will be installed.

1. 移除显卡将要安装位置的可用插槽的扩展槽盖。

GRAPHICS CARD INSTALLATION

04/05 Insert the card firmly into the expansion slot. Secure the graphics card using the system case screw(s).

1. 将显卡牢固地插入扩展插槽中。

2. 使用系统机箱螺丝固定显卡。

06 Connect any required PCI-e power cable(s) from the system power supply to the graphics card. Power requirements may vary by graphics card model.

1. 将所需的 PCI-e 电源线连接到显卡。

07 Replace the system case cover and reconnect the system power cable.

1. 更换系统机箱盖并重新连接系统电源线。

GEFORCE DRIVER INSTALLATION

PLEASE MAKE SURE TO HAVE THE LATEST AVAILABLE DRIVERS INSTALLED FOR YOUR ZOTAC GAMING GEFORCE GRAPHICS CARD FOR OPTIMAL GAMING PERFORMANCE.

NOTE: The latest GeForce Drivers are available at GEFORCE.com. An Internet connection is required to proceed.

DRIVER DOWNLOAD

- 1) Scan the above QR code to go to the NVIDIA GEFORCE™ Drivers website or enter the URL into your system's Internet browser - <https://www.geforce.com/drivers>
- 2) Follow the onscreen menu to download the GeForce drivers for your graphics card model and OS.
- 3) Locate the downloaded file on your system and double click it to begin the installation process.
- 4) Follow the on-screen instructions to complete the installation and restart the system once done.

快速安装指南

安装 GeForce 驱动程序

请访问 www.geforce.com/drivers 或进入 GeForce.com 网站下载, 需要联网才能继续操作。

NOTE: The latest GeForce Drivers are available at GEFORCE.com. An Internet connection is required to proceed.

DRIVER DOWNLOAD

- 1) 扫描上方的 QR 码以进入 NVIDIA GEFORCE™ 驱动程序网站或将 URL 输入到您的系统 Internet 浏览器 - <https://www.geforce.com/drivers>
- 2) 按照屏幕上的提示下载适用于您的显卡型号和 OS 的 GeForce 驱动程序
- 3) 在您的计算机上定位下载的文件并双击它以开始安装过程
- 4) 按照屏幕上的说明完成安装并重新启动系统

QUÉL'INSTALLATION RAPIDE

INSTALLATION DE LA CARTE GRAPHIQUE

1. Éteignez votre ordinateur et débranchez les câbles du système.

NOTE: The latest GeForce Drivers are available at GEFORCE.com. An Internet connection is required to proceed.

DRIVER DOWNLOAD

- 1) Scan the above QR code to go to the NVIDIA GEFORCE™ Drivers website or enter the URL into your system's Internet browser - <https://www.geforce.com/drivers>
- 2) Follow the onscreen menu to download the GeForce drivers for your graphics card model and OS.
- 3) Locate the downloaded file on your system and double click it to begin the installation process.
- 4) Follow the on-screen instructions to complete the installation and restart the system once done.

INSTALAZIONE RAPIDA

INSTALLAZIONE DELLA CARTE GRAFICA

1. Spegnere il computer e scollegare i cavi del sistema.

PRODUCT REGISTRATION

Register your new product on [ZOTAC.COM](https://www.zotac.com) to get FREE extended product warranty where applicable.

FIRESTORM UTILITY

Our advanced fine-tuning software utilizes a simplified design to allow easy and immersive control of your ZOTAC and ZOTAC GAMING graphics cards. Monitor GPU performance, adjust the speed of clock, memory and fan, customize fan profile as well as SPECTRA RGB lighting, and do much more.

SUPPORT/CONTACT US

Need any help with your ZOTAC products? Please go to our Support page to find the answers, or simply contact us so we can provide the needed support.

4. Check for updates to the warranty terms and conditions.

5. Contact our support team for assistance.

WARRANTY

EXTENDED WARRANTY

ZOTAC products come with a standard warranty period. In addition, customers will be entitled to extended product warranty through an online product registration process within a limited time of new product purchase where applicable. ZOTAC reserves the right to change the terms and conditions without advance notice.

The ZOTAC warranty is only applicable under the following conditions:

- A copy of the original sales receipt is kept.
- Damage to the product was not due to user installation.
- User did not damage the product, including abuse, over-clocking, natural disaster, negligence, misuse, modifications (cooling included), power supply, damage due to the result of other damaged components, etc.
- Product was used for its intended purpose.

It is up to the original purchaser to obtain warranty service. To submit a ZOTAC graphics card for warranty service, the owner must contact the regional ZOTAC Customer Service where available or the original reseller within the standard warranty period.

All warranty conditions and terms are subject to change without prior notice. For current warranty details, please check our online policies at [ZOTAC.COM](https://www.zotac.com)

ZOTAC Technology Ltd. reserves the right to void the warranty if:

- The product is physically modified, unless otherwise stated.
- If user purchased the card second hand.
- If user fails to produce a copy of the original sales receipt.
- User used the product in a way it was not intended for.

SAFETY

1) Before playing video games

Make sure that the room is well illuminated and lighting is adjusted to the brightness of the monitor. Keep a static distance from the display monitor.

2) Static electricity precautions

Do not take the graphics card out from the original static electricity protection package until you are ready to install it. Before installing, wear a grounded wrist strap if possible, or discharge static electricity by touching the bare metal surface of the system chassis. Carefully hold the graphics card by its rear bracket, and avoid touching the "gold finger" PCB edge connector unless it is necessary.

3) Turn off system power before installing the graphics card

Turn off the AC main power to the system, by the AC main power switch or by detaching the AC power cord. Damage to the graphics card or the system components, or injury to you may result if power is turned on during the installation. Please directly a qualified technician if necessary. The manufacturer assumes no liability for any damage, caused directly or indirectly, by improper installation by unauthorized service personnel.

4) Electrical Safety

Each graphics card requires a power supply that meets or exceeds a minimum wattage and/or PCIe connectors. High-end graphics cards may feature higher power consumption. Make sure that separate power cables are used on high power draw graphics cards and your power supply is set to the correct voltage for your region.

5) Operation Safety

Do not touch the card or block the fans from running while in operation to reduce the risk of injury. Parts such as the backplate and heatsink can be hot to the touch under heavy load. Allow at least 5 minutes to pass after powering down to make sure all components have cooled down for safe handling.

6) Trigger Warning: Photosensitive epilepsy

Extremely pronounced lighting effects such as fast image changes, repetitions of simple geometric shapes, flashes of light may induce epileptic fits or blackouts in some persons. Even persons with no previous known tendency to epilepsy may be in danger. If you or member of your family has been diagnosed as prone to epilepsy, please consult your physician before playing the video game. Parents should monitor their children carefully when they play video games. Stop playing immediately if the following symptoms are detected: nausea, vision disturbance, muscle tension or cramps, orientation problems, involuntary movements or brief loss of consciousness.
